

## **Board Award Presentation – Brendan Dugan**

The **Board Award** is a recognition of exceptional dedication, leadership, and service within our industry. It is presented to individuals whose contributions have not only elevated their field but also inspired those around them. Tonight, we honour **Brendan Dugan**, a true leader in hospitality and training.

Brendan's career spans decades of influence in the hospitality sector, with an impressive history of accomplishments. As an Advanced Skills Lecturer at North Metropolitan TAFE since 2010, he has nurtured countless talents, sharing his vast knowledge and passion with the next generation of hospitality professionals.

Beyond his teaching, Brendan has served in pivotal roles, including as a Board Member and Partner at the International Hospitality Institute, where his expertise earned him the distinction of being named one of the top 15 global hospitality trainers in 2022.

His commitment to excellence is evident through his years as Chair of Judges for the Awards for Excellence across various organisations, including Clubs WA and the Restaurant and Catering Association. Brendan's eye for detail, combined with his unwavering standards, has set benchmarks for quality in hospitality and tourism.

Brendan, your work has had a lasting impact on our industry, and this award is a testament to the respect and gratitude we all have for your contributions. It is my great honour to present the **Board Award** to Brendan Dugan.
