

Chairman's Award Presentation – TAFE NSW Ultimo Apprentice Training Restaurant

The **Chairman's Award** is a symbol of excellence, innovation, and dedication to fostering the future of our industry. Tonight, we honour an institution that exemplifies these qualities through its outstanding commitment to education and skill development: the **Apprentice Training Restaurant at TAFE NSW Ultimo**.

At its heart, this award is about recognising those who are not just preparing students for jobs but are shaping them into future leaders of our hospitality industry. TAFE NSW Ultimo has set the gold standard for apprentice training, creating an environment where students can master their craft in a real-world setting, all while being guided by some of the best in the business.

The Apprentice Training Restaurant is more than just a place to learn—it's a space where creativity, discipline, and professionalism are cultivated every single day. Through hands-on experience, students develop not only technical skills but also a deep appreciation for the art of hospitality and the importance of teamwork.

This award also celebrates the mentors, educators, and staff who dedicate themselves to ensuring every apprentice leaves with the confidence, knowledge, and experience to thrive in a demanding industry. It's their passion and commitment that make this restaurant a benchmark for excellence.

TAFE NSW Ultimo's Apprentice Training Restaurant is a shining example of how education and industry can work hand in hand to build a stronger future for hospitality.

It is my great honour to present the **Chairman's Award** to the Apprentice Training Restaurant at TAFE NSW Ultimo. Thank you for your incredible contributions to the growth and success of our next generation of talent.
